

**ADVISORY COUNCIL MEMBER**  
**Tony Whitaker**

Tony Whitaker is President and CEO of Houston-based FSI Construction & Foundation Specialists, Inc. Tony has served in this capacity since May 1999 and has held leadership roles within the multifamily industry while overseeing the company's day-to-day operations. He currently serves on the Houston Apartment Association (HAA) & Texas Apartment Association Education Foundation boards. Tony's professional background includes extensive experience in all facets of multi-family CapEx, due diligence, value-add reposition and disaster recovery. FSI has regional operations throughout Texas, California, Oklahoma, Nevada, Georgia, Colorado and Arizona with a national reach. Mr. Whitaker is a 1989 graduate of Texas Southern University's Jones School of Business. FSI has been recognized by Nevada, Arizona and Texas apartment associations from award winning value-add repositions to corporate and individual contributions and achievements. His hobbies are traveling and spending time with family.
