

Dr. Brian Armstrong  
Assistant Vice President for Student Enrollment

Dr. Brian Armstrong serves as the Assistant Vice President for Student Enrollment at Texas Southern University. In this position, Dr. Armstrong provides support and leadership for the Office of Transfer Services and works with the universities' community college partners to develop seamless transfer pathways for students interested in transferring to TSU.

Dr. Armstrong serves as the campus coordinator for the Texas Leadership Scholars Program, the foster care liaison, and the program manager for the Thurgood Marshall College Fund S.O.A.R. Program at TSU. He also works as an adjunct instructor in the College of Education.

Dr. Armstrong is a graduate of Huston-Tillotson University, Texas State University and Texas Southern University. He is involved in several civic and professional organizations including the Texas Association of College Registrars and Admissions Officers and Kappa Alpha Fraternity, Inc., and the Huston-Tillotson Alumni Association and the Texas Southern University Alumni Association.
