Academic Progress Report

Texas Southern University (TSU) utilizes T-Claw Navigate360 online Academic Progress Reports as a part of the university wide strategic plan to increase student retention and academic success. Progress Reports serve as an efficient and coordinated mechanism for faculty to submit feedback on students' performance in courses. Progress Reports are deployed throughout each semester at times which strategically align with dates that can have substantial financial or academic impact on a student who is either not attending a course or in danger of failing. Please see the table below for Progress Report deployment dates for the current semester.

Spring 2027 Semester Progress Reporting:

Week of Instruction	**Primary Focus of Progress Report**	**Deployment Dates**
Week 3	Early Alert- Week 3 *Progress Report will assist students early enough in the semester to be successful. Feedback does not necessarily report on graded work instead it is based on flags that a student might or might not be appropriately engaged in the course. These may include attendance concern, never attending class or has not purchased text book.*	Jan 22 (8am) –Jan 30 (11:59pm) ***Academic Calendar: Census I Jan 27***
Week 6	Pre-Midterm Early academic progress. *Week 6 Progress Report is an opportunity to give students feedback on early performance in a course and provide the right type of assistance/intervention in time to keep them on track to progress in a course.*	Feb 12 (8am) – Feb 20 (11:59pm) ***Academic Calendar: Midterm Exam Begins Feb 27***
Week 9	Post-Midterm academic progress. *Week 9 Progress Report helps students realistically assess their progress in a course. Feedback should be provided to students in time for them to gather additional information before making decisions about their continued enrollment in the course.* ***This is the last Progress Report before a student can drop a course or withdraw from the semester (drop all courses) with 'W' on the transcript and no refund.***	Mar 5 (8am) – Mar 13 (11:59pm) ***Last day to drop classes with "W" is April 2***

Questions or additional assistance please contact tclaw@tsu.edu or email Dr. Naomi Lawrence-Lee.
